**Food Allergy Policy and Food Allergy List**

Dear Parent,

A review of your child’s enrollment folder reveals that your child is allergic to certain foods. It is our aim to protect each child’s health and well-being. We will not serve children food to which they are allergic.

We ask parents to send a note from the child’s doctor stating the allergy and the allergic reaction a child will have if he/she ingest a food to which he/she is allergic.

Each parent receives a printed copy of the monthly menu. On the days food is served that causes an allergic reaction in your child, please send a wholesome food to replace that menu item.

The cooks and the child’s teachers must know the nature of a child’s allergy. An Allergy List is discretely (not openly) available for the cooks in the cooking area and the teachers in the food service area. This is helpful in the event regular staff members are not present.

Please read, check, and sign this notice regarding our policy on food allergies. Return the signed slip to your child’s teacher.

- I understand the Calvary Baptist Pre School must have a note from my child’s doctor verifying my child.
- I understand that I need to send a food alternate when the school is serving a food item to which my child is allergic.
- I understand discretely posted in the food preparation area, the cooks have names of children who have food allergies.
- I understand the teacher has posted discretely in the food service area, names of those who have food allergies.
- I understand, if I have questions, I am to call the school office: (973) 278 4130.
