***PERMISSION FORM***

Child's Name: \_\_\_\_\_

***Medical Treatment:***

In case of an emergency, every effort will be made to contact parents and the family doctor, but sometimes this is not possible and immediate treatment is necessary.

In case my child is hurt or becomes seriously ill; and it is not possible to reach me or our family doctor, he/she may be treated by another doctor or at the emergency room at the hospital.

***Field Trips:***

Field trips and neighborhood walks are a regular part of the schedule. They are a carefully supervised part of our program. Walks in the area are often without previous planning. Parents will always be notified before each field trip when children are to be taken by bus.

My child may leave the program for walks or field trips.

***Photography:***

Photos and videos are sometimes taken for use within the program with the children. Occasionally these or other pictures may be used for newspaper stories about the preschool or for educational purposes or for Calvary's Community Center social media outlets. Whenever possible this use will be cleared with parents, but it is sometimes difficult or impossible in cases where pictures contain large groups of children or are used several years after they are taken.

My child's picture may be used for publication purpose about the preschool or for educational purposes on the Calvary Baptist Community Center, Inc. website page and social media outlets.
